CODE OF CONDUCT

Wichita Figure Skating Club

Due to certain trends in youth sports whereby both parents and Members are letting their emotions manifest themselves in abusive and sometimes physical violence, Wichita Figure Skating Club supports a zero tolerance policy for unsportsmanlike behavior. Its Members, Coaches and Parents (if Member is under 18 years old) should continually raise the standard of behavior – both on and off the ice. Membership in the Wichita Figure Skating Club is a privilege and should carry a sense of pride. Participation in programs offered on will require that members and parents (of Members under 18 years old) accept certain responsibilities.

Members Responsibilities:

I will not verbally or physically abuse any of my fellow members, other USFSA members, USFSA officials, club Board members, volunteers, or coaches.

I understand that poor sportsmanship, on or off ice, will not be tolerated.

Parents/Guardian Responsibilities:

I will encourage sportsmanship by showing positive support for all members, coaches, Board members and other officials during all on and off ice sessions. I will encourage my child to treat all other members, coaches, Board members, other member's parents and other officials with respect.

I will refrain from coaching my child or "manipulate" other Members during any on and off ice sessions.

I will not verbally or physically abuse any club members (including my own child), coaches, club Board members, officials, other member parents, or volunteers.

I will represent myself positively and not undermine the authority of coaches, club Board members, officials, or other club volunteers.

Course of Action:

Should a parent or Member not adhere to the above, the Wichita Board of Directors holds the Member and/or parent accountable and the Board of Directors is empowered to take necessary action. Actions could be as simple as a verbal warning to the parent or Member up to disciplinary hearings before the Board of Directors leading to suspension or expulsion from the Wichita Figure Skating Club.

Implementation:

Anyone may file a complaint, in writing and signed, to the President of the Wichita Figure Skating Club.

Membership Benefits and Activities

Web Site – The Wichita Figure Skating Club maintains a club web site, www.wichitafsc.org that will provide members with information on the club. Skaters can access the site any time to receive the latest news.

Skating Magazine – Each family will receive one subscription to the official publication of the United States Figure Skating Association.

Club Directory – Each skating family receives the club directory containing members' names with phone numbers and a copy of the Constitution and By-Laws of the club on an annual basis.

Financial Stipends – Financial assistance is provided to those club members in good standing who have competed in the previous year's annual Mid-Continent competition and have met requirements on the stipend eligibility form. The Board of Directors will, on an annual and as needed basis, determine financial stipend criteria and amounts.

Scheduled Test Sessions – Throughout the membership year (July 1 – June 30), WFSC will sponsor test sessions on a regular basis. This provides continuing opportunities for members to achieve test goals. The club will provide discounted test fees for home club members in an effort to keep the cost at the lowest level possible for our skating families. The testing application and schedule is available on our website: wichitafsc.org or contact the test chair for more information.

Critiques – The member judges of WFSC are available to provide feedback on programs and tests. Feedback can be arranged by contacting the judges directly.

Club Apparel – Many apparel options bearing our club logo are available for purchase at a reasonable rate to our club members. All options can be seen on our website and ordered locally, performance wear can be ordered online.

Wichita Mid-Continent Competition – WFSC hosts the Wichita Mid-Continent competition each year. This competition is one of the largest in the state and serves as a showcase for our skaters to demonstrate their skills, as well as compete against other skaters from outside this area.

Exhibitions - Prior to qualifying competitions, skaters are given the opportunity to participate in an exhibition. This gives the skater the opportunity to perform his/her programs in full costume before an audience.

Social Events – Club parties and activities are offered periodically through the year. Some of these events include the summer picnic, Christmas Party and other events as planned by the Social Events Committee and the Junior Advisory Committee.

Community Service – WFSC encourages our skaters and families to give back to our community in various ways. Several club sponsored opportunities will be planned throughout the year.

Regularly Scheduled Club Ice – Club ice is available to all members during our skating season. Club ice sessions are offered as time for all of our skating members to “spend time together having fun”.

Junior Advisory Committee - A committee made up solely of skaters to unite the club and to include the skaters in the planning of social activities throughout the year.
